Upcoming changes

Subject: IRP/IFTA Replacement System

The transition from our current registration system to the new MAX system is coming soon! This transition will increase customer self-service and enhance some key features and benefits like:

- Access your IRP/IFTA account via AZMVDNow
- Capability to pay your invoices online
- Additional exciting features that will be available to user online

In order to prepare for using the online services, please keep in mind:

- You will be required to have an [AZMVDNow](#) account

Continue to check the following web page for updated and additional information:

- [International Registration Plan \(IRP\)](#)
- [International Fuel Tax Agreement \(IFTA\)](#)

We look forward to working with you as we transition you to the new system.
